

Letter of Recognition and Commendation

His Eminence Lam Tshering Wangdue Rinpoche, who outwardly appears as a humble Buddhist practitioner but inwardly possesses great dedication, has rendered exceptional service to the Kingdom of Bhutan and the Buddha Dharma.

His most notable achievement is the construction of the magnificent Buddha Dordhen statue at Kunsel Phodrang in Thimphu, Bhutan's capital. This unparalleled work, exceptional in both internal and external quality, was completed and graciously handed over to the Central Monastic Body of Bhutan.

Furthermore, within Je Khenpo's private administrative project (Je Khen Ku Gyer Ley Zin), I have placed my complete trust and confidence in His Eminence Lam Tshering wangdue Rinpoche by entrusting him with the entire responsibility for constructing the new Dordhen Tashi Gomang Stupa. This important project is located in Gelephu Mindfulness City, our nation's economic development hub, and is being undertaken in accordance with the wishes of His Majesty the King.

This letter of recommendation, which can be trusted by all, is issued by the 70th Je Khenpo from Trashichodzong on the 15th day of Saga Dawa in the Wood Snake year of our tradition, corresponding to June 11, 2025.
